

OFFICE FURNITURE DECOMMISSION

WE BUY USED OFFICE FURNITURE

Through our own sales force and retail stores, located in Chicago, Milwaukee, Madison and St. Louis, we work harder than anyone else to find value in retired office furniture.

We have long solid relationships with office furniture dealers across the US which has helped us become the largest used office furniture wholesaler in the Midwest.

TRUST

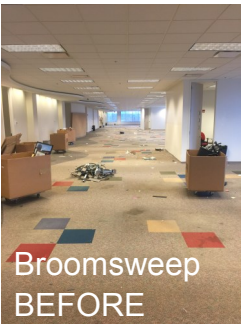

Over the last 25 years, we have created, tested and proven the most efficient means to remove office furniture from buildings even in the most difficult or time sensitive situations.

We have never missed a deadline!
