

OUR CERTIFICATIONS

We are very pleased to announce that Office Furniture Resources is certified as a Women's Business Enterprise (WBE) through the Women's Business Enterprise National Council (WBENC), the nation's largest third party certifier of businesses owned and operated by women in the United States. In addition, we have also been certified as a Woman Owned Small Business.

- These certifications strengthen OFR's ability to participate in Supplier Diversity programs, giving agencies and corporations more office furniture decommissioning and purchasing options.
- The certification process is rigorous and dives deep into the performance record, integrity, and stability of a company.
- Collaborating with woman-owned, minority-owned, and small business companies strengthens our business community and brings more mutual opportunities!

We recognize the commitment to supplier diversity embraced by corporations and government agencies today; OFR can add that diversity to your supply chain.
